The Cloncurry Show committee are reshaping the sections for this year only and as we are restricted with how we can judge entries we are keeping it to visual judging only. To make it a bit more interactive during the planned week, we are going to have a few People’s Choice Awards for some of the sections where the public can vote online for their favourite entry.

There will be ribbons and certificates for 1st place to 3rd place, with a few Highly Commended also given, and all entries will be free. As we are judging by only seeing a photo or clip of a Visual object we will be stating that any entries entered into the competition this year can be entered in the 2021 Cloncurry & District show as we will be back to full competition rules then.

We have split the sections into the Junior section & the Senior section to showcase the platform more simply and hopefully bring a more streamlined effect for the visual show. Each class will be either limited to 1 or 3 entries per person, per class, dependent on the class.

REMEMBER THIS IS A VISUAL SHOW, ONLY PHOTOS AND/OR CLIPS OF YOUR ENTRIES WILL BE SEEN, THINK ABOUT THE MOST APPEALING ASPECT? WHAT ATTRACTS THE EYE WHEN YOU ARE PHOTOGRAPING OR FILMING YOUR ENTRY? HOW WE WILL SEE WHAT YOU ARE PRESENTING IN A WAY THAT YOU THINK SHOWCASES YOUR ENTRY THE BEST?

ALL SECTION ENTRIES WILL BE UPLOADED UNLESS THEY ARE DEEMED INAPPROPRIATE FOR PUBLIC VIEWING

And most of all – Remember to enjoy your time while creating your entries, this visual show was created for you and the community to showcase what we can achieve.

Have Fun!  CDSS Committee 😊

REMINDER: For our Visual Show the Judging criteria has had to be altered. Whilst we can see a finished product, we cannot appreciate the craftsmanship, tactile or dimensional aspects of an item. Remember that any item entered into the 2020 Visual Show, may also be entered on the 2021 Show. We appreciate that items entered into the Sections are made with skill, care and attention to detail. These aspects are difficult to judge. This is why we have amended section entries to provide a Visual Show that best highlights our skills, achievements and community in an adaptive way and providing an opportunity to showcase some aspects of the region’s best, providing a hint of the displays to come in 2021.
